Case Number: 1:07-CV-09323-RJH

Dear Hon. Holwell:

In response to today's motion hearing, please be advised that all counsel participated in a conference call to schedule depositions and other items of discovery.

It is respectfully suggested that this Court allow the next conference date to be September 24, 2008. There are several depositions to be conducted, and it is hoped that this date will allow discovery to be completed. Defendants' counsel is in agreement with this date.

Kindly notify the undersigned at your earliest convenience if this date is acceptable to the Court.

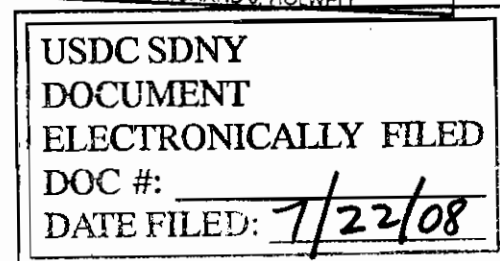

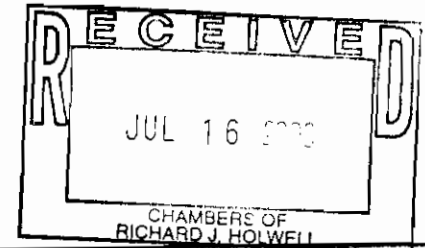

Thank you for your courtesies extended herein.

Respectfully submitted,
